

DESIGN No. 34—This cottage is designed to suit those with a limited capital. It is substantial, compact, and convenient. The principal factor is the low cost, without neglecting the appearance. The bath is placed in the store, and hot water is laid from the copper.

ESTIMATED COST - £375 0 0

PLANS, SPECIFICATIONS and DETAILS.

One Set	-	-	£3 3 0
Two Sets	-	-	£4 0 0

Most of these houses are of superior finish. The costs mentioned are for ordinary good finish.

To build this house will cost you less in weekly payments than you pay now for a less convenient house. Why hesitate? Call and talk it over with me.

JAMES CHRISTIE,
7 Smeeton's Buildings,
Queen Street,
Auckland.
